

# Dive Training Protocols

- A maximum of 6 people in the store at one time.
- Everyone must complete a “Declaration of Health” before each day of class.
- During in-store class time all staff and customers will wear a mask (either their own or supplied by NDO).
- Back and front doors will remain open to promote air flow.
- Keep physical distance during class except where necessary – use hand sanitizer before and after if contact is made to persons or equipment.
- All equipment is assigned to the student for the duration of the course.
- Each student is responsible for sanitizing all equipment after each use according to proper equipment maintenance protocol taught during the course.
- Do not use communal rinse bins - each student will use their own bin for rinsing equipment.
- Do not spit in masks – each student is supplied with a small bottle of mask defog and hand sanitizer to use during the course.
- Each student is encouraged to learn to don equipment on their own.
- Buddy checks will be done verbally with physical distance between buddies.
- When in the water, on the surface, keep regulators in your mouth (unless speaking) and mask on your face until out of the water and appropriate distance from others.
- Each student and staff must supply their own transport unless from the same family circle.
